

ICE PPE

Product, pricing and profitability with one partner in one platform

Make the most of your Encompass® investment by leveraging Encompass's native, integrated product, pricing and eligibility engine. Gain the ability to automate pricing, locks, and compliance for growth, speed and profitability, without leaving Encompass.

One platform for speed, efficiency and a single source of truth

- Single vendor support
 - Product and pricing access to 100+ investors, lenders and state housing authorities
 - Robust product support: CRA, FHA, VA, USDA, Jumbo, non-QM, portfolio, HELOC, HELoan, portfolio, specialized products (doctor, first responder, teacher, etc.) and more
 - Multi-channel support for retail, wholesale and correspondent
 - End-to-end platform, where you can manage all loan locks and changes in one place
-

Competitive pricing and return on investment

- Competitive pricing and value
 - Unlimited user seats
 - Access to all integrated lenders and investors included
-

Convenient, flexible and configurable

- Native to Encompass with full set of APIs available
 - Highly configurable to support custom products and overlays
 - Custom self-service field management in Encompass enables customers to add new fields from Encompass for qualification and pricing
 - Available with Blend POS® consumer portal
-

Rules and guidelines management

- Access to program specific guidelines through AllRegs
- Easy to implement overlays
- Ability to self-manage or have ICE manage custom programs

Features

- Native PPE built into Encompass
 - Ability to manage programs and pricing, customized to your organization (risk appetite, profit strategy, LO compensation, and lead source channel)
