

AllRegs Investor Library™

Your single, reliable source of truth for investor information

With the AllRegs Investor Library, you gain reliable, easy access to full narrative guidelines on the investors most important to your business, including the top 20 investors in the industry. With a single click, you can view product guidelines for participating investors, as well as those who have opted to share their product guidelines on an open distribution basis. Accompanied by the AllRegs Single-Family Lending Package™, you'll be able to access your investor and single-family guidelines all in one place.

Select your investors

Available within the Investor Library, the FirstPass product eligibility tool allows you to quickly compare investor products, view their guidelines and hone in on the right product for each borrower scenario. You will notice that some investors within the Library appear in dynamic HTML displays. Those industry leaders have chosen AllRegs® as their official online publisher.

How you'll benefit

Investor guidelines

With your subscription, you receive access to all information needed to maintain a correspondent lending relationship with the investor, including:

- Product names and information
- Quick reference guides
- Credit policy information and current bulletins
- Exhibits
- "Doing Business with the Investor" reference materials

Investor updates

Daily investor updates are available by email and inside of AllRegs. You will have access to a narrative update identifying the change that has occurred, the date of occurrence and a link to the reference material.
